

NorthStar Academy

Students enrolled in any of the courses below during the 2020-2021 school year will be eligible to apply to CCU's dual credit program to earn college credit for completion of the NSA courses listed.

**Beginning in the 2021-2022 school year, courses listed below with an asterisk (*) will not be eligible for dual credit. If a student is enrolled in one of these courses during the 2020-2021 school year, he or she MUST complete the NSA course no later than July 15, 2021 to be eligible for dual credit with CCU.*

The dual credit option is at an additional fee of \$200.00 per course, which represents a substantial discount from the regular cost of university courses. This fee will be added to the student's NorthStar account after the student registers with CCU (For DC Pre-Calculus Honors, this fee is already included in the NSA course tuition).

College credit is granted by CCU at course completion, and students are not required to take the AP exam. CCU is a fully accredited university, and their courses transfer to most universities around the US. Please be aware, while many colleges and universities accept dual credit, some do not. It is up to individual students and their families to check with the college or university that they are planning to attend to check policies.

NorthStar Academy Course	Instructor	Credits	CCU Course Equivalency	CCU Course Code
AP Biology	Jana Dickman	4	Biological Life/Lab	BIO-101/111
AP Calculus AB	Megan Cole	4	Calculus I	MAT-141
AP Calculus BC (Semester A)	Amber Knapp & Joyce Deer	4	Calculus I	MAT-141
AP Calculus BC (Semester B)	Amber Knapp & Joyce Deer	4	Calculus II	MAT-241

Additional Notes:

- Students must register for CCU dual credit while they are actively enrolled in the NSA course.
 - Students can visit <https://www.ccu.edu/academy/dual-credit/>, and click Registration to enroll for dual credit with CCU.
- Students can register during any of CCU's registration periods listed below as long as the student is actively completing the NSA course.
 - Registration periods = **Fall:** August 15th- November 15th, **Spring:** January 15th-April 15th, **Summer:** May 15th-July 15th
- If the student decides to drop the CCU dual credit course, the request to drop would need to be made in the same term that the student registered in order to be eligible to receive a refund.
 - Email dualcredit@ccu.edu to request to withdraw from a dual credit course.
 - Drop periods = **Fall:** August 15th-December 1st, **Spring:** January 15th-May 1st, **Summer:** May 15th-August 1st
